3. Select your trip

Tap on your current trip.

4. Scroll down to Table reservation

In the first view, scroll down to see the link where you can access table reservation.

Tap on the link and reserve your preferred time slots.

5. All set

Your table reservation is completed and you can view and change your reserved times at any time by tapping the same link.

2. Sign in

Sign in to the app using your Ving or Spies account.
