If you see something worrying, please act.

- 1. If a child is in immediate danger, call 112.**

- 3. Tell the hotel right away.** Speak to Hotel Manager or the Duty Manager. We will take appropriate action and contact the authorities if needed.
- 4. Give clear details.** What you saw, when, where, who was involved.
- 5. Do not intervene directly** if it could put anyone at risk.
- 6. Keep it confidential.** Share concerns only with hotel manager or authorities.
