

Check in your baggage

How to use the tagomat to check in your baggage before your homeward journey.

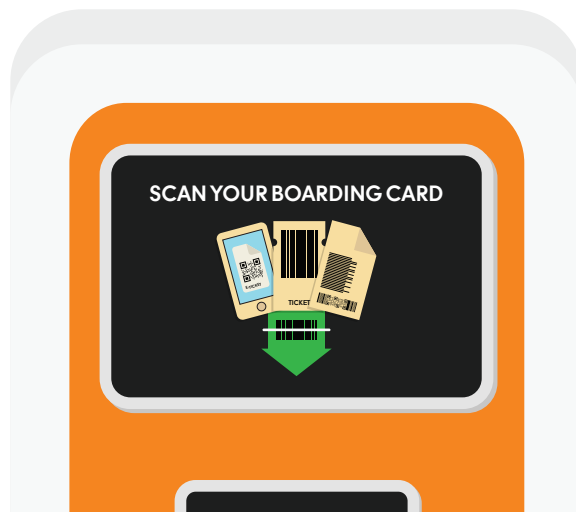

1. Check in on flight

24 hours prior to your homeward journey, you can check in through your mobile phone. You will receive an email as soon as the check-in is open.

2. SMS Reminder

You will receive an SMS to indicate that you can now print your baggage tag at the Resort Service. Drop by and use the service whenever you like after you have proceed with the online check-in.

3. Go to Resort Service

Scan your boarding card in the tagomat and print the baggage tag. Attach the tag to your baggage. Repeat for each bag(s). Remember to print tags for special baggage (eg. trolley or golf bag).

4. Deliver baggage

One person per reservation bring bags and all travelers passport to Sunclass Airlines staff to check off your bags. Schedule for bag drop-off are posted by the tagomat.
